Learning to live in harmony with the earth and each other through Stories, Games, Chants, Dances, Primitive Living and Survival Skills, Nature Observation and Crafts.

**Multicultural Workshops**

Mix and match. Choose one or more countries or cultures (see above) and one or more disciplines including storytelling, dance or movement, games, songs, cultural treasure chests and slide show or video (available for most countries).

**Earth • Water • Fire • Air**

Fun-filled participatory hour of surprising and fantastic stories, catchy songs and a short form of tai chi. The four elements carry us on a journey where we fly, dive to the depths of the sea, bask in the light of the source of earth's energy, the sun and know that we are one human family sharing one planet home.
